

DET BPAD Distribution Postage Percentages by Agency

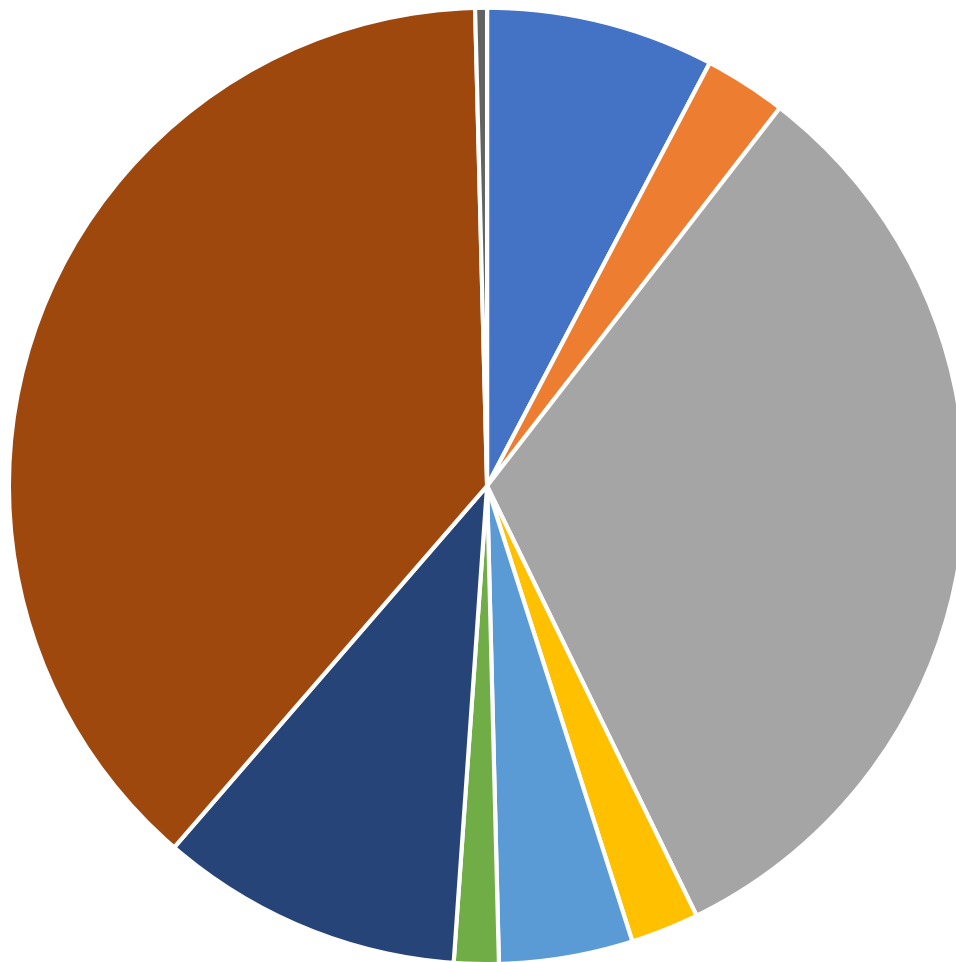

Report Date: April, 2018

Data Frequency: Quarterly

How do we measure it? Distribution postage line item costs are exported directly from the database of Agencies on contract. That is then rolled up in to totals by Agency by quarter. This does not include one-off orders.

This chart is a snapshot of the postage rates by Agencies on contract with BPAD and with totals above 2%.

Postage by Agency
