DET BPAD Publishing & Mainframe Percentages by Agency

Report Date: December, 2017	**Data Frequency:** Quarterly
How do we measure it? Network and Mainframe monthly cost totals are exported directly from the database. That is then rolled up in to totals by Agency by quarter and Network and Mainframe totals are combined to show totals for Print as a whole. This does not include one-off orders. This chart is a snapshot of the postage rates by Agencies on contract with BPAD and with totals above 3% and all smaller percentages combined into the 36 Smaller Customers.
