DET BPAD Network Print & Mainframe Percentages by Agency

Report Date: April, 2018	**Data Frequency:** Quarterly

How do we measure it? Network Print and Mainframe monthly cost totals are exported directly from the database. That is then rolled up in to totals by Agency by quarter and Network print and Mainframe totals are combined to show totals for the Publishing section as a whole. This does not include one-off orders.

This chart is a snapshot of dollar totals by Agencies on contract with BPAD with totals above 1% and all smaller percentages combined into the 29 Smaller Customers.

Network Print & Mainframe

2.79% 1.50% 5.27% 2.00% 2.21% 5.99% 1.24% 8.72% 16.51% 53.31%
