

Listservs

DOA Telecom Notices Listserv:

This is a read-only distribution listserv, *with notices generated by DET's* Telecommunications Administration Section. The listserv is intended for State employees who need or are interested in news regarding Wisconsin's enterprise telecom services.

To subscribe, complete the information at this site, http://lists.wi.gov/read/all_forums/subscribe?name=doa-telecom-notices.

To review or search archived doa-telecom-notices messages, go to <http://lists.wi.gov/read/login>, login with your email address and listserv password, select this listserv and either click on the message of interest or perform a search via the Search button.

To unsubscribe, follow the instructions contained in footer of each email sent to the listserv.

If you have other questions about this listserv, send an email to owner-doa-telecom-notices@lists.wi.gov.

State Telecom Usergroup Listserv:

This listserv is intended for State *employees to pose questions of and/or share information* with their peers in Wisconsin State Government regarding telecom issues/services.

To subscribe, complete the information at this site, http://lists.wi.gov/read/all_forums/subscribe?name=telecom-usergroup.

To start a new topic in this listserv, send an email to telecom-usergroup@lists.wi.gov with the topic in the subject line.

To review or search archived telecom-usergroup messages, go to <http://lists.wi.gov/read/login>, login with your email address and listserv password, select this listserv and either click on the message of interest or perform a search via the Search button.

To unsubscribe, follow the instructions contained in footer of each email sent to the listserv.

If you have other questions about this listserv, send an email to owner-telecom-usergroup@lists.wi.gov.
