

US Cellular's Partner Employee Discount

Currently available to all State of Wisconsin employees for use on their eligible consumer/family plans. Typically, the discount would be \$5 per phone line on qualifying plans.

Eligibility Details

- Employee must be the Account Owner or authorized user. Customers who are not the current account holder or authorized user need to visit their local store for a **Change of Ownership** to be processed **prior to continuing** the online enrollment.
- The consumer account must meet specific plan requirements, which can be reviewed conveniently by phone, online, or at a nearby retail store.

Verification & Enrollment:

- The verification and enrollment process for Partner Employee Discount (PED) has been simplified for your users. Employees looking to take advantage of this discount easy way to enroll online by visiting uscellular.com/partner.
- If a customer has a PED Discount on their plan, they need to re-certify and to verify their employment every 2 years.
- To re-certify, customers can visit: uscellular.com/partner and fill out the online form. SheerID will use customer's information to instantly verify their employment status.
